PETITION FOR WITHDRAWAL OF ABANDONMENT

Commissioner of Patents & Trademarks
Washington, D. C. 20231

Dear Sir:

This paper is filed in response to the Notice of Abandonment mailed May 16, 2000.

The Examiner asserts that formal drawings were not timely filed and therefore, abandonment is proper. Applicant disputes this and provides the following in support of this petition:

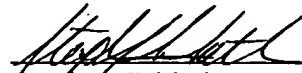

- (1) A true and correct copy of an Express mail label that was prepared in association with the submission of formal drawings showing a mailing date of November 2, 1999;
- (2) A true and correct copy of a postcard from the U.S. Patent & Trademark Office showing receipt by the Office of formal drawings on November 2, 1999;
- (3) A true and correct copy of the formal drawings as originally filed on November 2, 1999.

In light of this evidence, Applicant requests that a finding of abandonment of the present application is not proper and respectfully requests that the application be revived and allowed

to issue. As Applicant was not at fault with regard to the abandonment of the present application, no fee is required.

Respectfully submitted,

Stephen Schlather
